Step 3-Enter the five (5) digit application number assigned to your project and hit search or enter. (Hint: the best way to search is by application number only).

Permits and Inspections

Search for existing Permits and Inspections

If you have any questions regarding scheduling an inspection or any of the permit details please contact Central Permitting at 208-267-8400.

Please remember no inspections can be scheduled until all permits have been paid for and issued for that specific job location.

Inspections are performed M-F, please do not schedule for weekend days.
