

**RIGHT-OF-WAY ABANDONMENT**  
**MEMORANDUM OF UNDERSTANDING**

The following property owners have parcels that adjoin the public right-of-way that are being petitioned to be abandoned.

They hereby indicate, by signature, that they agree with the proposal to abandon that right-of-way. They further understand that once abandoned, a portion of that right-of-way becomes their property. The owners will then be responsible for maintenance and any additional property taxes that may result from the increase in the size of their original parcel.

I understand the statement above and agree with the proposed abandonment.
