Budget Work Session Held 2/24/21

The commissioners met for a work session on Wednesday, February 24 at the Senior Enrichment Center. The day's focus was the FY 22 budget and included presentations from the Sheriff's Office, Planning Department, Public Safety, Public Works, and the Airport Authority, as well as information from the County's financial advisors, Davenport and Co.

The FY 22 proposed budget is scheduled to be presented to the Board by the County Manager on May 18. The budget public hearing is planned for June 15 and then budget adoption will occur at a special meeting sometime between that date and July 1.

At left, Moore County Airport Executive Director Scott Malta addresses the Board.

At right, Dan Mace with Moseley Architects discusses the new court facility.

Below, County Manager Wayne Vest provides introduction to the day's agenda.
