Board Convenes in Meeting Room June 23

After a series of meetings conducted remotely via Cisco's Webex due to COVID-19, the commissioners convened in person for the first time since March for a special meeting on June 23. The meeting was called to adopt the FY 21 budget ordinance and to address some other matters prior to the fiscal year end. Reuniting in the regular meeting place was a welcomed event, but it looked far from normal with masks, distance markers, and abundant hand sanitizer. Nonetheless, the business was accomplished and the FY 21 budget was adopted unanimously, balanced at \$168,304,845.

Barring circumstances unforeseen, the Board plans to meet in person again for its first regular meeting of the new fiscal year on July 21 at 5:30pm. Meetings will continue to be livestreamed as well.
