The first customers of the East Moore Water District Phase 4 project began their water service on June 30. Construction on Esther and Lea Roads and a portion of Pine Hill Road was completed to allow those customers to receive the service.

It is estimated that over 180 families will be able to receive water as a result of this project which is funded by USDA Rural Development grant and loan funds.

Pictured are some of the new customers—Nora Kuzma and Paul Kuzma, along with Public Works Director Randy Gould, County Manager Wayne Vest, and Field Services Supervisor Stephen Calderon.

Deputy County Attorney Ward Medlin retired July 16 after nearly fourteen years of service to the County. He was honored with a reception on the afternoon of July 15. He is pictured with Deputy Health Director Matt Garner.

County Attorney Misty Leland received a Distinguished Service Award from the NC Association of County Attorneys during the annual summer conference held earlier this month for her service on the 5-5-5 Opioid Settlement Work Group. The 5-5-5 group worked diligently on an historic \$26 billion national settlement agreement that will provide relief for the opioid crisis.
