## Our News

### Digital Inclusion Month

The Board has proclaimed December 2021 as Digital Inclusion Month in Moore County. The recently established Digital Inclusion Task Force encourages all residents of Moore County to complete the North Carolina Broadband Survey to gather information on locations without adequate internet access and speeds. The proclamation will help spread the word about this survey, which you may **CLICK HERE** to access.

*A happy birthday is wished to Commissioner Catherine Graham on November 27th!*

### Parking Lot Kudos

Former commissioner Larry Caddell participated in the November 2 meeting's public comment period, commending the Board for the parking area (pictured below) the County recently completed in Carthage. It has been a great addition with plenty of space!
