

9th Annual Local Government Conference for Attorneys & Paralegals

CANCELED - DUE TO COVID-19

Due to the uncertainty of COVID-19, the Moore County Attorney's Office has canceled this year's 9th Annual Local Government conference which was scheduled for October. This decision is unfortunate because we enjoy our annual conference, especially connecting and interacting with our colleagues.

For paralegals and attorneys desiring to receive CPE/CLE credits at a low cost, County Attorney Misty Leland confirmed with the North Carolina Association of County Commissioners that you are welcome to attend the County Attorneys' virtual conference on July 9-10. Due to the pandemic, the conference will be held virtually with the reduced price of \$40. (Under normal circumstances, this conference is restricted to county attorneys.) You will receive 5.25 general and 1 hour ethics. If you are interested, please review the agenda and/or register at:

Please stay safe! We look forward to seeing you in October 2021 for our 10th Annual Local Government Conference!
