RE: Informal Bid 2019-12 Addendum # 2

ADDENDUM NO. 2

This **ADDENDUM #2** forms part of Moore County's Informal Bid for Water Main Projects – Virginia Rd, Trade St, and South St. for the County of Moore Public Works Department. All requirements of the original specifications remain in effect in their respective order. **Receipt of this Addendum must be acknowledged by its inclusion with the Informal Bid and noted as an inclusion on the sealed envelope.**

The following changes and/or clarifications are hereby made to the original Informal Bid:

Note: Please review bid packet for required documents to submit with the bid response. Both Addendum 1 and 2 must be acknowledged. Sealed bids are due by 4:00 pm December 13, 2018.

1. Question: Is a N C Utilities License required for this project and/or all Moore County Utility Projects?
Answer: Yes it is required for this project, per Development Policy. Refer to link <http://www.moorecountync.gov/public-works/engineering>.
2. Question: Can you verify the locates for Trade Street? The last time this project was bid out, we met the locator in the field who pulled up this area on his computer and said that the area behind the building where the water services were going was filled with cables. Reference drawing attached.
Answer: 811 does not locate on private property. Contractors will need to make their best judgement on this area on how hard or easy the excavation will be or pay for a Private Locate Company to mark this area.

No further questions will be accepted. Sealed Bids are due to Terra Vuncannon at 206 South Ray Street Carthage NC 28327 by 4:00 pm Thursday, December 13, 2018. Opening will not be public.
