RE: Informal Bid 2016-03 Addendum # 2

ADDENDUM NO. 2

This **ADDENDUM #2** forms part of Moore County's Informal Bid for Flow Monitoring Station – Taylortown – Lincoln Avenue for the County of Moore. All requirements of the original specifications remain in effect in their respective order. **Receipt of this Addendum must be acknowledged by its inclusion with the Informal Bid and noted as an inclusion on the sealed envelope.**

The following changes and/or clarifications are hereby made to the original Informal Bid:

Sealed bids are due at 4:00 PM Tuesday February 2, 2016. Both Addendum # 1 and Addendum # 2 must be acknowledged on Bid Form.

No further questions will be accepted.

1. Question: Open Channel Flow (OCF) for Fiberglass Metering Manholes (Section 13120A) was not a named manufacturer for the Lincoln Ave. Flow Monitoring Station project. Curious if OCF could be considered acceptable for this project for quoting Contractors and how to request prior approval.
Answer: Open Channel Flow for Fiberglass Metering Manholes is accepted as approved materials for use on this project.

Proposals are due to Terra Vuncannon at 206 South Ray Street Carthage NC 28327 by 4:00 pm February 2, 2016.

END OF ADDENDUM NO. 2

Sincerely,

Terra Vuncannon
Purchasing Manager
County of Moore
