Moore County Health Department's Family Planning Program: Helping Plan for Your Future

Raising a family is a big step for anyone. Family planning is a process that lets you decide when you want to have children. Whether you are ready to have children or not, family planning can help you make choices that support your decisions. The Moore County Health Department's Family Planning Program provides comprehensive family planning and preventative health services designed to help residents of Moore County plan for if and when they want children.

The Family Planning Program provides contraceptive services, health screenings/examinations, sexually transmitted disease screening and treatment, preconception health screening and counseling, community education, and immunizations. Any resident of Moore County may come to the Health Department for the Family Planning Program and fees for services are based on a sliding fee scale.

Family Planning Clinic hours at the Health Department are currently as follows:

- Mondays from 1PM to 4PM
- Wednesdays from 8AM to 11:30AM
- Thursdays from 8AM to 11:30AM

Appointments are preferred for Family Planning clinic services. To schedule an appointment, contact the Moore County Health Department at 910-947-3300. The Health Department is located at 705 Pinehurst Avenue in Carthage.

For more information regarding the Family Planning Program, visit the Health Department website at www.moorecountync.gov/health.
