Pediatric COVID-19 Vaccination Clinic

On Monday November 8th and Tuesday November 9th, the Moore County Health Department will hold evening clinics offering COVID-19 vaccination to children ages 5-11, by appointment.

The clinics will be held at the Moore County Health Department (705 Pinehurst Avenue, Carthage) and will operate from 4 p.m. to 7 p.m. on both of those days. Children must be accompanied by parents or legal guardians to receive the vaccine. As with the adult vaccine, there is a 15-30 minute monitoring period following the vaccination.

These pediatric vaccinations are by appointment only. To schedule a vaccine appointment, please call 910-947-SHOT (7468). The hours of operation for the Health Department's appointment phone line are Monday through Friday from 8 a.m. to 5 p.m.

Detailed information about COVID-19 vaccination can be found at YourSpotYourShot.nc.gov (English) or vacunate.nc.gov (Spanish). To find other vaccine providers near you, anywhere in North Carolina, you can use the vaccine locator tool found at www.myspot.nc.gov.
