Drive Thru COVID-19 Testing Scheduled in Moore County on August 13th and 14th

A drive-thru COVID-19 testing event has been scheduled for **August 13th from 9AM to 1PM at the Moore County Health Department located at 705 Pinehurst Avenue in Carthage.** The event is open to all residents of Moore County with no physician referral required. The event is sponsored by the Moore County Health Department and Goshen Medical Center.

Everyone who wishes to participate in testing at the Health Department on the 13th should pre-register by calling **910-267-2044**. There will be no out of pocket cost for testing, regardless of if an individual has health insurance or not. If you do have health insurance, please bring your insurance information with you when you come for testing. This event is completely drive-thru only. All testing participants are instructed to remain in their vehicle throughout the testing process.

The Health Department's test event is in addition to a drive-thru event scheduled for **August 14th from 7:30AM to 1PM at the Westmoore Center located at 2332 Hwy. 705 in Robbins.** That event is also at no cost, open to all residents of Moore County, drive-thru only, and requires no physician referral. If insured, participants are asked to bring along their health insurance information, but insurance is not required. Participants are asked to pre-register for that test date by calling **919-542-4991, Monday – Friday between the hours of 8AM and 5PM.** Testing at the Westmoore Center is sponsored by the Moore County Health Department and Piedmont Health.

The North Carolina Department of Health and Human Services (NCDHHS) has a **"Check My Symptoms"** tool that can help determine if you're recommended to be tested for COVID-19. That tool can be found at <https://ncdhhs-covid19-dtra.powerappsportals.us/>.

Other COVID-19 testing sites near you can be found by using the NCDHHS **"Test Site Finder"** application. That application can be found at <https://covid19.ncdhhs.gov/about-covid-19/testing/find-my-testing-place>.
