Two Drive-Thru COVID-19 Testing Events Scheduled in Moore County Next Week

Two drive-thru COVID-19 testing events have been scheduled for next week in Moore County.

- **September 21st -- 9AM to 1PM at the St. Peter, The Rock Church located at 192 Esther Road in West End**.
- **September 24th -- 9AM to 1PM at the Morganton Road Sports Complex located at 100 Fire Lane in Southern Pines.**

Both events are open to all residents of Moore County with no physician referral required. Testing is sponsored by the Moore County Health Department and Goshen Medical Center with special thanks to St. Peter, The Rock Church and Southern Pines Recreation & Parks for their willingness to host.

Everyone who wishes to participate in testing should pre-register by calling **910-267-2044**. There will be no out of pocket cost for testing, regardless of if an individual has health insurance or not. If you do have health insurance, please bring your insurance information with you when you come for testing. This event is completely drive-thru only. All testing participants are instructed to remain in their vehicle throughout the testing process.

The North Carolina Department of Health and Human Services (NCDHHS) has a **"Check My Symptoms"** tool that can help determine if you're recommended to be tested for COVID-19. That tool can be found at https://ncdhhs-covid19-dtra.powerappsportals.us/.

Other COVID-19 testing sites near you can be found by using the NCDHHS **"Test Site Finder"** application. That application can be found at https://covid19.ncdhhs.gov/about-covid-19/testing/find-my-testing-place.
