Two Additional Drive-Thru COVID-19 Testing Events Scheduled in Robbins on August 7th and 14th

Two new drive-thru COVID-19 testing events have been scheduled for **August 7th and August 14th from 7:30AM to 1PM at the Westmoore Center located at 2332 Hwy 705 in Robbins**. Both events are open to all residents of Moore County with no physician referral required. The events are sponsored by the Moore County Health Department and Piedmont Health.

Everyone who wishes to participate in testing at the Westmoore Center on August 7th or 14th should pre-register by calling **919-542-4991**. Pre-registration is available Monday through Friday between the hours of 8AM-5PM or on Saturdays between 8AM-1PM.

There will be no out of pocket cost for testing, regardless of if an individual has health insurance or not. The events are completely drive-thru only. All testing participants are instructed to remain in their vehicle throughout the testing process.

These two new test dates are in addition to a drive-thru event scheduled for **August 6th at the Robbins First Baptist Church located at 651 Hemp Street in Robbins from 9AM to 1PM**. That event is also at no cost, open to all residents of Moore County, and requires no physician referral. If insured, participants are asked to bring along their health insurance information, but insurance is not required. Participants are also asked to pre-register by calling **910-267-2044**. Testing at the Robbins First Baptist Church is sponsored by the Moore County Health Department and Goshen Medical Center, Inc.

The North Carolina Department of Health and Human Services (NCDHHS) has a **“Check My Symptoms”** tool that can help determine if you’re recommended to be tested for COVID-19. That tool can be found at <https://ncdhhs-covid19-dtra.powerappsportals.us/>.
