### **Health Department Reports Two New COVID-19 Deaths**

On July 24th, the Moore County Health Department was notified of the deaths of two Moore County residents whose deaths were determined to be related to COVID-19 infection. One individual was a Hispanic male in the 50-64 age range who passed away on July 22<sup>nd</sup>. The other, a white female over the age of 65 who passed away on July 24th.

A total of twenty deaths have now been attributed to COVID-19 thus far in Moore County. Today's reported deaths are the seventh and eighth COVID-19 deaths in Moore that have been linked to community spread. Moore County's twelve other COVID-19 deaths have been linked to outbreaks at long-term care facilities: Pinehurst Healthcare and Rehabilitation Center (6 deaths), Seven Lakes Assisted Living & Memory Care (4 deaths), and Fox Hollow (2 deaths).

COVID-19 deaths include people who have had a positive laboratory test for COVID-19, who died without fully recovering from COVID-19 and who had no alternative cause of death identified. Deaths are reported by hospitals and clinicians directly to local and state health departments.

In total, there have been 781 confirmed COVID-19 cases in Moore County to date. To protect privacy, no further information about the individuals who have tested positive will be shared by the Health Department. Moore County Health Department staff are monitoring individuals who have tested positive and will follow up with anyone who is identified as a close contact. The U.S. Centers for Disease Control and Prevention (CDC) defines "close contact" as being within six feet for 10 minutes or more.

The Moore County Health Department continues to encourage everyone to "**Know Their W's**" and continue to exercise caution when out in public: **Wear** a cloth face covering if you will be around other people, **Wait** six feet apart and avoid close contact, and **Wash** your hands often for at least 20 seconds or use hand sanitizer.

In addition to these measures, everyone is urged to continue to adhere to the following guidelines:

- Avoid touching your eyes, nose, and mouth with unwashed hands.

**Environmental Health  
Telephone: 910-947-6283  
Fax: 910-947-5127**

**WIC  
Telephone: 910-947-3271  
Fax: 910-947-2460**

- Avoid close contact with people who are sick.
- Stay home, especially if you are sick.
- Cover your cough or sneeze with your sleeve/elbow or with a tissue and be sure to throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

**As part of the extension of Executive Order 147, North Carolina remains in Safer At Home Phase 2 of lifting COVID-19 restrictions until Friday, August 7th. People are also required, with some exceptions, to wear face coverings while out in public when physical distancing of 6 feet is not possible. More information on the phase 2 extension including guidance on face coverings can be found here: <https://www.nc.gov/covid-19/staying-ahead-curve/phase-2-extension-faqs>**

Instructions on how to create and wear your own cloth face covering can be found here:

<https://www.cdc.gov/coronavirus/2019-ncov/downloads/DIY-cloth-face-covering-instructions.pdf>

NCDHHS has a **“Check My Symptoms”** tool that can help determine if you’re recommended to be tested for COVID-19. That tool can be found at <https://ncdhhs-covid19-dtra.powerappsportals.us/>. If you are a person who needs testing, you can use the **“Test Site Finder”** application to help locate a testing site near you. That application can be found at <https://covid19.ncdhhs.gov/about-covid-19/testing/find-my-testing-place>.
