### ESSENTIAL JOB DUTIES:
This position performs professional environmental health work in the promotion of public health through education, surveillance, consultation, inspection, and enforcement of state, local, and federal environmental health laws and regulations. Functions as a specialist with the Food and Lodging Division of the Environmental Health Office. Will perform other related duties as required.

### KNOWLEDGE AND SKILL REQUIREMENTS:
- Working knowledge of environmental health laws, rules, and procedures, as well as a complete understanding of the concepts of public health law.
- Practical knowledge of microbiology, biology, chemistry, food science, epidemiology, soil science, entomology, and basic engineering technology as applied to environmental health practices.
- Working knowledge of the responsibilities of other agencies involved in environmental health work.
- Working knowledge of the interrelationship between socio-economic factors and environmental health concerns.
- Working knowledge of food sanitation, food borne diseases, communicable diseases, vector control, protection of water supplies, and institutional sanitation.
- Working knowledge of inspection methods and investigation techniques as applied in environmental health.
- Ability to apply environmental health knowledge and techniques in the investigation of environmental health problems.
- Ability to establish and maintain effective working relationships with clients, associates, social agencies and the general public.

### EDUCATION AND EXPERIENCE REQUIREMENTS:
- Graduation from a four-year college or university with 30 semester of course work in the physical or biological sciences and two years of exposure in environmental health;
- OR, Master’s degree in environmental health from a program which is accredited by the National Accreditation Council for Environmental Health Curricula of the National Environmental Health Association and one year of experience in environmental health.

### LICENSE AND CERTIFICATION REQUIREMENTS:
- Approval for registration as a Sanitarian by the North Carolina State Board of Sanitarian Examiners prior to employment.
- Must possess and maintain a valid North Carolina Drivers License.

### PHYSICAL REQUIREMENTS
This is medium work requiring the exertion of up to 50 pounds of force occasionally and a negligible amount of force frequently or constantly to move objects; work requires stooping, crouching, reaching, walking, lifting, fingering, and repetitive motions; vocal communication is required for expressing or exchanging ideas by means of the spoken word, and conveying detailed or important instructions to others accurately, loudly, or quickly; hearing is required to perceive information at normal spoken word levels, and to receive detailed information through oral communications and/or to make fine distinctions in sound; visual acuity is required for preparing and analyzing written or computer data, operation of machines, determining the accuracy and thoroughness of work, and observing general surroundings and activities; The worker may be exposed to bloodborne pathogens and may be required to wear specialized personal protective equipment.

### BENEFITS
- **Health Benefits** including medical, dental, prescription drug plan, flexible spending accounts;
- **Life Insurance, Retirement and Investment Plans** including membership in the NC Local Government Employees’ Retirement System, NC 401(k);
- **Voluntary Insurance Programs** such as short-term disability, accident, cancer, etc.;
- **Holiday, Annual and Sick Leave** for eligible employees.
