Local League Rules and Regulations

General Policies:

1. Head Coach must fill out his/her coaching application before receiving their roster.
2. A regulation game will consist of 6(six) innings or a time limit of: 1(one) hour and 20(twenty) minutes whichever comes first. The clock will begin when umpire announces "Play Ball". The 15(fifteen) run rule will apply after 3(three) complete innings, the 10(ten) run rule will apply after 4(four) complete innings
3. No new inning will begin after one hour and twenty minutes has elapsed on the time limit. Extra innings will be played to determine a winner if the game is tied after regulation or the time limit has expired.
4. Tie Breaker Rule: At the start of each half inning until a winner is determined, the offensive team will start with a runner on second base who will be the last recorded out from the previous inning. The game will continue to be played as a regular baseball game until a winner is determined.
5. In the AAA (9-10) League there will be a 5(five) run per inning limit for each team. If a team at bat scores 5(five) runs before 3(three) outs are recorded, the teams will automatically change sides for the entire game.
6. A continuous batting order will be used for the entire game. Local league rule.
7. The on deck batter must be in the on deck circle to back of the batter.
8. Teams will play with 4(four) outfielders.
9. Speed up rules for the catcher will be used. A courtesy runner is optional for the catcher until there are 2(two) outs. **It is mandatory with 2(two) outs.** The courtesy runner must be a substitute (someone not currently in the batting order) if a team does not have any substitutes available; the player making the last out who batted prior to the catcher must be used as the courtesy runner.
10. All coaches must be in their respective dugout (door closed) when their team is on defense, with the doors to the dugout closed.
11. If a game is suspended due to weather, 4(four) complete innings constitute a regulation game.
12. On rainy days, coaches and parents may call the recreation office at 910-947-4495 for game cancellations or go to our website www.moorecountync.gov/parks-and-recreation to check the status of the games for that day.

2. A player shall not remove their helmet while outside the dugout on offense. **Penalty:** First offense **the team** shall receive a team warning by the umpire. Second and subsequent Team Offenses; the player shall be called "out". If the player was already "out" due to a play on the field, then that player will receive a warning by the umpire and the next offense by that player will result in ejection from the game.
3. All youth base coaches and batboys under the age of 15(fifteen) shall comply with the helmet rule. **Penalty:** non team players shall be removed from the playing field and team players will be returned to the dugout and replaced by an adult or another player.

4. After the game is finished, the head coach from each team participating will sign the official pitchers inning chart with official scorekeeper for that field in the field house.
5. Innings pitched in games declared "no contest" shall count if the umpire calls the game.

Zero Policy for Coaches

1. Head Coaches are not allowed on the field to argue or appeal calls and Assistant Coaches do not argue calls period.
2. An Assistant Coach will be issued a warning (IF not overzealous) if on the field. No more after that. An ejection is warranted immediately for an overzealous assistant coach or a second complaint after a warning. If the assistant coach is in the dugout a restriction can be used the first time **if desired** without warning.
3. If the Head Coach wishes to communicate with the umpire for assistance with a judgment call or a rule; they may come out of the dugout in a professional manner and stay between the dugout and the foul line. The plate umpire will go to the coach. After the Head Coach tells the plate umpire what he is appealing, he is to return to the dugout. If the Head Coach comes back out of the dugout after the umpire's discussion on the play call or rule, they will be ejected. If the call is changed the opposing coach can come out of their dugout between his dugout and the foul line for an explanation. Once the explanation is given the coach is to return to the dugout. No Arguing.
4. If the Head Coach is acting as a base coach; he may ask to speak with the home plate umpire in a professional manner as above. Coach must remain in coach's box and home plate umpire will come to the coach. Procedures same as above.
5. After the game is complete; there is to be **No Communication or Contact** between coaches and umpires. If you have a question about a rule; you can ask the field supervisor or call the parks and rec office the next day.
