Vice Chairman Harry Huberth had a question regarding item #6 that addressed landscaping requirements. Mr. Huberth inquired about what mechanisms will be used to enforce the amended landscaping requirements. Planning Supervisor Theresa Thompson mentioned the county has maintenance requirements in the UDO. Mr. inquired if the county had a bond issue or if the county could have a bond issue. Mr. Huberth then gave a hypothetical example of a developer finishing a project in June when the weather is not favorable to new landscaping. Mrs. Thompson explained the applicant does have the option to request a conditional certificate of occupancy where a developer will have six months to install the landscaping. Mrs. Thompson also mentioned if a developer installs landscaping and a plant dies they are required to replace that plant, and the county has an enforcement policy for this.

Vice Chairman Harry Huberth had a question regarding item #15, Road Maintenance agreement. Mr. Huberth inquired whether the county had a mechanism to protect property owners on private roads. Planning Supervisor Theresa Thompson explained any new easement requires a road maintenance agreement. Mrs. Thompson added requiring a road maintenance agreement on an existing easement would not be feasible due to the number of homes that already exist on the easement and trying to get all the homeowners to come to an agreement. Mrs. Thompson also mentioned it would be impractical to prevent someone living on an existing easement from subdividing their land until all land owners on the easement signed a road maintenance agreement. Mrs. Thompson mentioned the county was not able to require road maintenance agreements before for existing easement.

Chairman Joe Garrison inquired if that requirement is being removed since the county could not require road maintenance agreements for existing easements anyway, which Mrs. Thompson explained it was not feasible to require for existing easements. Mr. Huberth mentioned from his personal experience all the landowners on his road had to sign a maintenance agreement due to a new property owner attempting to obtain a mortgage, which could only be obtained after all the existing property owners on the easement signed the road maintenance agreement. Mr. Huberth added that he guessed the banks would be the ones to handle this. Mrs. Thompson mentioned the county requires road maintenance agreement on any new easement, extended easement, or if someone is going to subdivide property on an easement.

Chairman Joe Garrison had a question regarding item #1, asking even though the requirement of an application being signed by a property owner is being struck out, that the application will still need to be signed by someone. Mr. Garrison made the suggestion that instead of striking out the language, that it be modified by replacing “property owner” with “applicant”. He stated this will still make it clear that the
application has to be signed by somebody. Mrs. Thompson agreed with Mr. Garrison and said that change will be made.

Chairman Joe Garrison opened the Public Hearing, with no further discussion or Public Comment Mr. Garrison closed the public hearing.

Board Member Eddie Nobles made a motion to adopt the attached Moore County Planning Board Land Use Plan Consistency Statement approval and authorize its Chairman to execute the document as required by North Carolina General Statute 153A-341. The motion was seconded by Vice Chairman Harry Huberth; the motion passed unanimously 5-0.

Board Member Eddie Nobles made a motion to recommend approval to the Moore County Board of Commissioners of the proposed text amendments to the Moore County Unified Development Ordinance. The motion was seconded by Board Member David Lambert; the motion passed unanimously 5-0.

MEMORANDUM TO THE PLANNING BOARD

FROM: Debra Ensminger
Planning & Transportation Director

DATE: September 24, 2019

SUBJECT: General Use Rezoning Request: Residential and Agricultural-20 (RA-20) to Highway Commercial (B-2)

PRESENTER: Theresa Thompson

REQUEST
Pete Mace is requesting a General Use Rezoning from Residential and Agricultural-20 (RA-20) to Highway Commercial (B-2) of an approximate 5.67 acre parcel, located at 6265 NC Hwy 211, owned by William A III Johnson Trustee, per Deed Book 2016E Page 671.

This case was properly advertised, public hearing sign posted on the property, and all adjacent property owners were notified.

BACKGROUND
The property is currently developed with one single family dwelling located on the property.

ZONING DISTRICT COMPATIBILITY
The requested rezoning to Highway Commercial (B-2) is consistent with the mixture of land uses in the area, including a school, a self-service mini warehouse, solar farm, single family residential, and undeveloped property. The surrounding area is zoned a mixture of Residential and Agricultural-40 (RA-40), Residential and Agricultural-5 (RA-5), Highway Commercial (B-2), Planned Unit Development Hamlet (PUD-H), and Residential & Agricultural (RA) in Foxfire’s zoning jurisdiction.

CONSISTENCY WITH THE 2013 MOORE COUNTY LAND USE PLAN
The site has a Low Density Residential Land Use Classification. The requested zoning to Highway Commercial (B-2) is not compatible with the Low Density Residential Land Use Classification.

The Low Density Residential Land Use Classification is a density 1 (one) residential lot for every five acres of land, single family detached. This may also include certain agricultural uses consistent with the existing RA (rural agricultural) zoning district, as well as certain non-residential neighborhood supportive uses, such as schools, daycares, churches and others. Where these areas on the Future Land Use Map intersect, or contain, significant cultural and natural features these aspects of the landscape should be considered as primary open space and conserved. These primary open spaces should be designed into the development plan to enhance the value and quality of life for the community.
The Commercial/Office/Retail/Institutional Land Use Classification’s primary use is intended for shopping/retail uses, dining, entertainment, services, general office space, medical offices, banks, schools, daycares, places of worship, libraries, etc. The Moore County Unified Development Ordinance states the Highway Commercial (B-2) district provides for the development of commercial and service centers that serve community, countywide, or regional commercial needs, are accessible by residents from surrounding neighborhoods, and are of such nature so as to minimize conflicts with surrounding residential areas.

Although this site is located within the Low Density Residential Land Use Classification, the site is located adjacent to a major highway (NC Hwy 211), other non-residential uses, and the site is located near Foxfire, Taylortown, and Pinehurst providing practicality, easy access, and reduced travel times to the nearby communities. The site is located close to the Commercial/Office/Retail/Institutional Land Use Classification, as indicated by the red color on the map below. The rezoning request is also consistent with several goals as included in the attached Land Use Plan Consistency Statement, including Goal 3.1: Maximize accessibility among living, working, and shopping areas, and Recommendation 1.7: Support and promote local businesses. Therefore, if approved, staff recommends updating the Land Use Map to reclassify this site to the Commercial/Office/Retail/Institutional Land Use Classification.
RECOMMENDATION
Staff recommends the Moore County Planning Board make two separate motions:

Motion #1: Make a motion to adopt or deny the attached Moore County Planning Board Land Use Plan Consistency Statement and authorize its Chairman to execute the document as required by North Carolina General Statute 153A-341. As specified in the Land Use Plan Consistency Statement, a declaration of approval is also deemed an amendment to the Land Use Plan.

Motion #2: Make a motion to recommend approval or denial to the Moore County Board of Commissioners of the General Use Rezoning from Residential and Agricultural-20 (RA-20) to Highway Commercial (B-2) of an approximate 5.67 acre parcel, located at 6265 NC Hwy 211.

Moore County Planning Board  
Land Use Plan Consistency Statement  
General Use Rezoning Request  
Residential and Agricultural-20 (RA-20) to Highway Commercial (B-2)

The Moore County Planning Board finds that:

1. The rezoning request is consistent with the following goals as listed in the 2013 Moore County Land Use Plan:

   Goal 1: Preserve and Protect the Ambiance and Heritage of the County of Moore (inclusive of areas around the municipalities)
   - Recommendation 1.7: Support and promote local businesses
   - Action 1.8.8: Support and promote infill development that will optimize the use of existing infrastructure.

   Goal 3: Optimize the Uses of Land Within the County of Moore
   - Goal 3.1: Maximize accessibility among living, working, and shopping areas
   - Recommendation 3.4: Encourage development in areas where the necessary infrastructure (roads, water, sewer, and schools) are available, planned or most cost-efficiently be provided and extended to serve development.

2. Approval of the rezoning request is also deemed an amendment to the Land Use Plan Future Land Use Map by reclassifying the site to the Commercial/Office/Retail/Institutional Land Use Classification.

3. Contributing factors in the rezoning approval is in response to managing the demand of residential growth, largely resulting from the influx of families spurred by Fort Bragg’s growth from the Base Realignment and Closure.

4. The rezoning request is reasonable and in the public interest considering the property is located adjacent to the Foxfire, Pinehurst, and Taylortown communities.

Therefore, the Moore County Planning Board recommends APPROVAL of the General Use Rezoning from Residential and Agricultural-20 (RA-20) to Highway Commercial (B-2) of an approximate 5.67 acre parcel, located at 6265 NC Hwy 211.
The Moore County Planning Board finds that:

2. The proposed rezoning is not reasonable and not in the public interest because the proposed rezoning will have an unreasonable impact on the surrounding community.

Therefore, the Moore County Planning Board recommends **DENIAL** of the General Use Rezoning from Residential and Agricultural-40 (RA-40) to Highway Commercial (B-2) of an approximate 5.67 acre parcel, located at 6265 NC Hwy 211.

[Assistant CSC] [Clerk Of Superior Court]
STATE OF NORTH CAROLINA  
COUNTY OF MOORE  

WILL OF  
LOIS M. JOHNSON  

I, LOIS M. JOHNSON, of Moore County, North Carolina, declare this to be my will and revoke all earlier wills and codicils.  

ARTICLE I  
DISPOSITION OF ESTATE  

Gift of Residuary Estate. I give my residuary estate, being all of my real and personal property, wherever located, not otherwise effectively disposed of, but without exercising any power of appointment over property which I may have, to the Trustee acting under that trust instrument executed by me on the 3rd day of September, 2015, and, by and between me, as Grantor, and me and my son, William A. Johnson, III, as co-Trustees, to be added to and disposed of as part of the trusts created under the provisions of that trust instrument, including any amendments to it in effect at the time of my death.  

ARTICLE II  
PAYMENT OF DEBTS, EXPENSES AND DEATH TAXES  

A. Payment of Debts and Expenses. My Executor shall certify to the Trustee acting under the trust instrument referred to in the Paragraph of Article I of this will entitled “Gift of Residuary Estate” the amount necessary to pay all of my debts, health care expenses, funeral and burial expenses and the administration expenses of my estate which amount shall be paid out of the property of the trust as provided in that instrument.  

B. Payment of Death Taxes. All death taxes shall be paid as follows:  

1. My Executor shall certify to the Trustee acting under the trust instrument referred to above, the amount necessary to pay the death taxes (other than death taxes which are paid from property passing outside of this will pursuant to the terms of the governing instrument) which amount shall be paid out of the property of the trust as provided in that instrument.  

2. Notwithstanding the foregoing, my Executor shall recover as provided by law any death tax attributable to property (i) over which I have a power of appointment, (ii) in which I have a qualifying income interest for life or (iii) in which I have a retained interest for life to the extent that any death tax recoverable by law is not otherwise paid out of such property.
C. Payment of Debts, Expenses and Death Taxes Out of Residuary Estate if Trust Insufficient. If the trust estate is insufficient, either in whole or in part, to pay all of my debts, health care expenses, funeral and/or burial and/or cremation expenses, the administration expenses of my estate and the death taxes payable out of the trust estate, my Executor shall pay the amount of the insufficiency out of my residuary estate and shall not charge any death taxes against or recover such taxes from any recipient or beneficiary of the property taxed except as provided in Paragraph B above.

ARTICLE III
THE EXECUTOR

A. Appointment of Executor. I appoint my son, WILLIAM A. JOHNSON, III, to be my Executor. If my son, WILLIAM A. JOHNSON, III predeceases me, or is not able to qualify as my Executor, or if after qualifying, either should die or resign, then I appoint my daughter, MARY ELIZABETH JOHNSON, as my Executrix.

If it becomes necessary for a representative of my estate to qualify in any jurisdiction other than the State of North Carolina in which my Executor shall be unable or unwilling to qualify as Executor, then my Executor shall have the right to appoint an individual or corporate representative of my estate in such jurisdiction.

B. Waiver of Bond and Court Supervision. No bond or other security shall be required from my executor unless otherwise required by law. My Executor may act without qualifying before any court or filing with any court any inventory, accounting or other report relating to the administration of my estate unless otherwise required by law to do so.

C. Compensation of Executor. If my Executor is the identical person as my Trustee under my Trust Agreement above referenced, then I expect my Executor to serve without compensation as Executor because I have made provisions for compensation of my Trustee in my Trust Agreement. If my Executor is not the identical person as my Trustee, then an individual Executor may receive that compensation for such Executor's services which is equal to five percent (5%) of the sum of the fair market value at the time of my death of (i) all property passing under this will and (ii) all property owned by or payable to the Trustee referred to in the Paragraph of Article I of this will entitled “Gift of Residuary Estate.”

ARTICLE IV
ADMINISTRATIVE POWERS OF EXECUTOR

It is my intention that my Executor shall have all the powers and authority conferred upon personal representatives by Article 13 of Chapter 28A of the General Statutes of North Carolina as well as any other powers conferred by law or elsewhere in this will. To the extent they may not be conferred by law, I grant to my Executor the discretionary powers set forth below to be exercised without court order for any purpose that my Executor may deem advisable.
A. **Powers Incorporated by Reference.** Subject to Section 32-26 of the General Statutes of North Carolina, all of the powers set forth in Section 32-27 of the General Statutes of North Carolina, except those in Section 32-27(29), as they exist at the time that I signed this will, and such powers are incorporated by reference with the same effect as though set out verbatim in it.

B. **Disposition of Real Property.** The power to take possession, custody and control of real property owned by me at the time of my death even though title to such real property is not devised to my Executor, and to sell, exchange, give options upon, partition, lease, mortgage or otherwise dispose of any such real property.

D. **Dealing with Estates and Trusts.** The power to lend money to, borrow money from, purchase real or personal property from, sell such property to, or exchange such property with the fiduciary of any estate or trust of mine.

E. **Credits or Charges to Income and Principal.** The power (i) to determine the manner in which items should be credited or charged to or between income and principal, regardless of whether any item is credited or charged contrary to the provisions of any statute, and (ii) to charge or not charge against income a reasonable allowance for depreciation of property whether or not contrary to the provisions of any statute, except that an Executor shall have the power to allocate receipts and expenses between income and principal in his or her favor only if there is no other Executor who may make such allocation, and, in that event, such power to allocate must be exercised as provided by law.

F. **Retention and Acquisition of Bank Securities.** The power (i) to retain for any period or periods of time securities which are securities of any corporate Executor acting under this will or of any corporation owning stock of the corporate Executor or of any subsidiary or affiliate of or successor to such corporation and (ii) to acquire such securities by purchase, exchange or otherwise.

G. **Renunciation and Disclaimer.** The power to renounce or disclaim in whole or in part the right to succession to any property or interest in property passing to me as heir, beneficiary under a will or contract, or otherwise.

H. **Distributions Directly to Trust Beneficiaries.** Whenever any Trustee acting under any trust to which property passes under this will is authorized or directed to distribute income or principal to a beneficiary, the power to distribute such income or principal directly to such beneficiary during the period of administration of my estate.

**Strikethrough Text** - deletions from the ordinance

1. AMEND Chapter 8 (Specific Use Standards), Section 8.107 (Mining), Subsection C (Restoration), as follows:

   Restoration. Before approval of a Conditional Use Permit for an excavation use, the operator shall submit a detailed plan for restoration of the site, including information on the anticipated future use of the restored land, existing and proposed final contours, and number per acre of trees or shrubs to be planted.

Land Use Plan Consistency Statement  
Text Amendment - Unified Development Ordinance

The Moore County Planning Board finds that:

1. The text amendment request is consistent with the following goals in the 2013 Moore County Land Use Plan:

   GOAL 4: Provide Information and Seek Citizen Participation:
   - Action 4.1.1: Continue to support and implement easy to understand guidelines to incorporate throughout governmental departments.

2. The text amendment is consistent with the Goals listed above due to providing the public with a transparent permitting process.
