PUBLIC HEARING

Public Hearing #1 – Conditional Use Permit Request Home Occupation Level 2 Farm Equipment Repair Shop-Theresa Thompson

Planning Supervisor Theresa Thompson presented a request by John Creech for a Conditional Use Permit for a Farm Equipment Repair Shop located at 419 Ellis Ln., West End, NC owned by Betty Shaw per Deed Book 553, Page 893.

Mrs. Thompson went over the item within the packet pointing out the Conditional Use would be for a Level 2 Home Occupation which is allowed in the Rural Agricultural-5 (RA-5) zoning district. Mrs. Thompson explained to the board the definition of Home Occupation as defined in the County’s Unified Development Ordinance (UDO).

The property is located adjacent to the Town limits of Taylortown, adjacent land uses include single family residential and undeveloped property. The applicant plans on developing a 40x60 foot workshop on the property as illustrated on the site plan within the packet. The applicant has agreed all specific use standards will be met as specified in the UDO and inspected by county staff to ensure these are met before a Certificate of Occupancy is issued. Specific standards include:

- All repairs and service activity excluding washing will be conducted entirely inside the fully enclosed building.
- There will be a maximum of ten (10) inoperable vehicles stored outside, which will be located in the area identified as parking as illustrated on the site plan within the packet.
- The proposed workshop will be approximately 210 feet from the front property line, 70 feet from the side property line and 160 feet from the rear property line.

The applicant has requested a two year vested rights approval which requires the applicant to receive a zoning permit within the two (2) years upon Conditional Use Permit approval or the permit becomes null and void.

Vice Chairman Garrison opened the Public Hearing; the following people have signed up to speak on behalf to the request.

- Herman Self located at 109 Scaleybark Ct., West End NC spoke against the request having the following concerns regarding public health and safety. Mr. Self is concerned about the increased traffic and the amount of dust the traffic will stir up. The type of gravel and sand located on Ellis Ln. creates silica and can cause a potential lung hazard called Silicosis. Mr. Self is unsure how much silica it would take to cause this health concern.
• William Gunter located at 107 Scaleybark Ct. Taylortown NC spoke against the request with the following concerns in regard to the proposed building location to the property line. Mr. Gunter is concerned about the noise that may be created as well as the increased traffic to Ellis Ln. that is a private road not meant to take the increased traffic. Mr. Gunter is concerned about the amount of dust that may be created by a big truck driving down the road.

• Gregg Currie located at 524 Ellis Ln. West End NC spoke against the request with concern of the amount of traffic that will increase on the road. Mr. Currie and one other property owner currently maintain Ellis Ln. with no assistance from the other property owners.

• Mike Hopkins located at 500 Ellis Ln. West End NC spoke against the request with the following concerns. Mr. Hopkins is concerned about the road however feels the amount of contaminants spilt on the ground can cause issues to the ground water. Mr. Hopkins has concerns regarding noise caused by an air impact wrench that will be used when working on tractors that can be heard from his house, he is also concerned about the view of a metal building that will be in view of his home. Mr. Hopkins is one of the two residents that maintain the road and is concerned about the extra traffic.

• Rebecca Hopkins located at 500 Ellis Ln. West End NC spoke against the request with the following concerns. Mrs. Hopkins is concerned about the road condition, size of the commercial building that will be placed on the property as well as noise generated by this business. Mrs. Hopkins provided pictures for the board to review attached as Exhibit A.

• Debra Barber located at 105 Scaleybark Ct. West End NC spoke against the request agreeing with her neighbors’ comments and concerns adding that her home is the closest and does not want this in her back yard.

The applicant John Creech did not sign up to speak however was asked upon the chair if he had any comments.

• John Creech located at 15 McLean Rd. Pinehurst NC informed the board his business was given to him by his father years ago, he is currently working on tractors for a living. Mr. Creech would like to have a place of his own to work on tractors and make a living to support his family. Mr. Creech mentioned he would help with the road maintenance as he does have the means to help maintain the road.

Board Member Huberth inquired if Mr. Creech would have employees that would work on site which could potentially increase traffic on the road, Mr. Huberth also inquired about the hours of operation. Mr. Creech mentioned he would not have employees and most of the time would be working 8-5 adding most of his work being in the field. He added approximately 3 hours a day would be in his shop so noise would be limited and may not be heard on the outside. Mr. Huberth confirmed with Mr. Creech he would assist with road maintenance and recommended a road maintenance agreement between neighbors. Mr. Creech agreed he would assist with the road maintenance as he does have
a tractor to assist. Mr. Creech also commented the amount of traffic would be limited as most of his work would be in the field.

William Gunter located at 107 Scaleybark Ct. Taylortown NC approached the podium who spoke against the request asking the Planning Board to consider the future of Moore County and if commercial is allowed in the area what happens if future request are received.

Vice Chair Garrison explained this is a Conditional Use Permit request for this specific property and if future request come forth they would have to go through the same process and any future request would be on a case by case situation.

Board Member Huberth explained the Conditional Use would be tied to a tractor repair shop and would not apply to other commercial uses.

Rebecca Hopkins located at 500 Ellis Ln. West End NC approached the podium who spoke against the request inquired what would happen if Mr. Creech business should grow and he should have employees. Mrs. Hopkins is concerned the amount of noise that might be created by having employees. Mrs. Hopkins is also concerned about the size of building and how it would affect future home values.

Board Member Cook inquired if Mr. Creech would live on the property. Mr. Creech confirmed he would live on the property.

With no further discussion or Public Comment Vice Chairman Garrison closed the public hearing.

Board Member Huberth made a motion to recommend approval to the Moore County Board of Commissioners of the Conditional Use Permit for a Home Occupation Level 2 Farm Equipment Repair Shop located at 419 Ellis Lane in West End.

Before any board members seconded the motion Mrs. Thompson mentioned the two (2) conditions Mr. Creech put in place, work hours would be 8-5 Monday through Friday with no employees.

Mr. Creech confirmed he has agreed to these conditions.

Board Member Huberth modified his motion to recommend approval to the Moore County Board of Commissioners of the Conditional Use Permit for a Home Occupation Level 2 Farm Equipment Repair Shop located at 419 Ellis Lane in West End with the following conditions, hours of operation will be Monday through Friday 8-5 having no employees. The motion was seconded by Board Member John Matthews; the motion passed unanimously 5-1, Matthew Bradley opposed.
PLANNING DEPARTMENT REPORTS

Planning Director Debra Ensminger informed the board regarding a staff update. Darya Cowick has moved to South Carolina and is no longer with the county.

Ms. Ensminger provided an updated to the board regarding the approved items brought to the December Planning Board informing them that the West End School item has been pulled from the Board of Commissioners agenda and will not move forward at this time.

BOARD COMMENT PERIOD

Board Member Bradley inquired what would be the best way to impose a condition. Ms. Ensminger explained the applicant would have to agree to any conditions that are requested as we cannot impose conditions if they do not agree to them, the only thing the applicant is required to meet are the ordinance requirements.

Board Member Huberth inquired if there was any way the county could enforce the use of a road maintenance agreement between the homeowners. Ms. Ensminger explained even if there was a road maintenance agreement between the homeowners this would not be something the county could enforce and if there were issues between the homeowners not upholding the agreement it would be more of a civil matter.

Board Member Bradley inquired if a board member made a motion to deny a request explaining why their reasoning for denial did not meet the four findings of fact could a request be denied on that reasoning. Ms. Ensminger explained as long as the reasoning was based on fact and not opinion if could be denied.

ADJOURNMENT

With no further comments Board Member Bobby Hyman made a motion to adjourn the January 3, 2019 regular meeting. The motion was seconded by Board Member John Cook and the motion passed unanimously 6-0.

Stephanie Cormack

SUBJECT: Conditional Rezoning Request: Rural Agricultural (RA) to Neighborhood Business Conditional Zoning (B-1-CZ)

PRESENTER: Theresa Thompson

REQUEST
Moore County Schools is requesting Conditional Rezoning from Rural Agricultural (RA) to Neighborhood Business Conditional Zoning (B-1-CZ) for a building addition to North Moore High School, for an auxiliary gym, classrooms, and bathrooms, of an approximate 48.93 acre parcel, located at 1504 North Moore Road, Robbins, owned by Moore County Board of Education, per Deed Book 273, Page 479.

This case was properly advertised, public hearing sign posted on the property, and all adjacent property owners were notified.

BACKGROUND
The property is currently a high school. Adjacent properties include single family residential, a church, and undeveloped.

COMMUNITY MEETING
The community meeting was conducted at the North Moore High School on January 25, 2019 between 6:00pm and 7:00pm. Adjacent properties were notified by certified return receipt mail, sent on January 14, 2019 Please refer to the attached report for more details.

CONDITIONAL ZONING (CZ)
Conditional rezoning affords a degree of certainty in land use decisions not possible when rezoning to a general category allowing many different uses. A Conditional Zoning District is a floating zoning district created only at the request of a property owner, through the legislative rezoning process. Uses which may be considered for a conditional zoning district are restricted to those uses listed in the corresponding general zoning district. All development shall follow the specific use standards contained in the Moore County Unified Development Ordinance (UDO). Either the property owner or the Board of Commissioners may propose specific conditions (Planning Board may recommend conditions) but only those conditions mutually agreed upon to the owner and Board of Commissioners can be imposed.

ZONING DISTRICT COMPATIBILITY
The requested zoning to Neighborhood Business (B-1-CZ) for a school addition will place compatible uses within the area. The surrounding area is zoned Rural Agricultural (RA). The Rural Agricultural (RA) District is intended to encourage the continuance of agricultural uses as well as to ensure that residential development of appropriate intensities that area consonant with the suitability of land, availability of public services, and that are compatible with surrounding development, will occur at appropriate densities to provide a healthful environment. The RA District is also intended to accommodate rural commercial activities where the use of site specific development plans, individualized development conditions, vegetative buffers, larger lots, and the compatibility of adjacent land uses are considered to provide suitable locations for rural commerce and other rural activities.

**CONSISTENCY WITH THE 2013 MOORE COUNTY LAND USE PLAN**

The site has a Rural Agricultural Land Use Classification. The requested zoning to Neighborhood Business (B-1-CZ) is in general compatibility with the Rural Agricultural Land Use Classification. The Land Use Plan states the primary use of the Rural Agricultural Land Use Classification is to support rural residential life associated with agricultural uses and other rural activities. The requested rezoning to Neighborhood Business Conditional Zoning District (B-1 CZ) for a school addition is consistent with rural activities.

The rezoning request is also consistent with several goals as included in the attached Land Use Plan Consistency Statement, including: Action 1.8.8: Support and promote infill development that will optimize the use of existing infrastructure; Action 3.1.2: Encourage non-residential development to locate near major transportation routes and areas served by adequate water, sewer, natural gas, broadband, and electric power.

**MOORE COUNTY FUTURE LAND USE MAP**

APPLICATION REVIEW COMMENTS
The proposed site plan meets all Unified Development Ordinance requirements.

ADDITIONAL CONDITIONS
Per NCGS 153A-342(B), conditions and site-specific standards shall be limited to those that address the conformance of development and use of the site to County ordinances and officially adopted plans and those that address the impacts reasonably expected to be generated by the development or use of the site.

RECOMMENDATION
Staff recommends the Moore County Planning Board make two separate motions:

Motion #1: Make a motion to adopt or deny the attached Land Use Plan Consistency Statement. As specified in the Land Use Plan Consistency Statement, a declaration of approval is also deemed an amendment to the Land Use Plan.

Motion #2: Make a motion to recommend approval or denial to the Moore County Board of Commissioners the Conditional Rezoning request from Rural Agricultural (RA) to Neighborhood Business Conditional District (B-1-CZ) for a building addition to North Moore High School, for a gym and classrooms, on a 48.93 acre parcel, located at 1504 North Moore Road, Robbins, NC.

The Moore County Planning Board finds that:

1. The rezoning request is consistent with the following goals as listed in the 2013 Moore County Land Use Plan:

   Goal 1: Preserve and Protect the Ambiance and Heritage of the County of Moore (inclusive of areas around the municipalities)
   - Action 1.8.8: Support and promote infill development that will optimize the use of existing infrastructure.

   Goal 3: Optimize the Uses of Land Within the County of Moore
   - Action 3.1.2: Encourage non-residential development to locate near major transportation routes and areas served by adequate water, sewer, natural gas, broadband, and electric power.

2. The rezoning request is reasonable and in the public interest considering the property is located adjacent to an existing major highway, has access to public water, and is in close proximity to the Town of Robbins providing practicality, easy access, and reduced travel times to the nearby town.

Therefore, the Moore County Planning Board recommends APPROVAL of the Conditional Rezoning request from Rural Agricultural (RA) to Neighborhood Business Conditional District (B-1-CZ) of an approximate 48.93 acre parcel, located at 1504 North Moore Road, Robbins and owned by Moore County Board of Education, per Deed Book 273, Page 479.

Conditional Use Rezoning Request
Rural Agricultural (RA) to Neighborhood Business (B-1-CZ)

The Moore County Planning Board finds that:

1. The rezoning request is consistent with the following goals as listed in the 2013 Moore County Land Use Plan:

   Goal 1: Preserve and Protect the Ambiance and Heritage of the County of Moore (inclusive of areas around the municipalities)
   - Action 1.8.8: Support and promote infill development that will optimize the use of existing infrastructure.

   - Action 3.1.2: Encourage non-residential development to locate near major transportation routes and areas served by adequate water, sewer, natural gas, broadband, and electric power.

2. The proposed rezoning is not reasonable and not in the public interest because the proposed rezoning will have an unreasonable impact on the surrounding community.

Therefore, the Moore County Planning Board recommends DENIAL of the Conditional Rezoning request from Rural Agricultural (RA) to Neighborhood Business Conditional District (B-1-CZ) of an approximate 48.93 acre parcel, located at 1504 North Moore Road, Robbins and owned by Moore County Board of Education, per Deed Book 273, Page 479.

Roger Leeson opened the meeting and presented the proposed site plan and additional drawings (attached). Mr. Leeson stated that the centerpiece of the project is to add the auxiliary gym adjacent to the existing gym. All mobile units will be removed. He stated the project will start in the Spring and will take 1 ½ years to complete.

Darrell Williams asked if the rezoning will affect the neighboring properties and community. Mr. Leeson explained that the rezoning will only affect the school’s property. The rezoning to Neighborhood Business will make it possible for the school to have an addition. All of the adjacent properties will still be zoned Rural Agricultural.

Principal Jenny Purvis explained that having an auxiliary gym will keep children from having to practice so early in the morning or late in the evening and will be safer.

MEMORANDUM TO THE PLANNING BOARD

FROM: Debra Ensminger
Planning & Transportation Director

DATE: January 8, 2019

SUBJECT: General Use Rezoning Request:
Highway Commercial (B-2) to Residential and Agricultural-20 (RA-20)

PRESENTER: Theresa Thompson

REQUEST
Johnny Harris is requesting a General Use Rezoning from Highway Commercial (B-2) to Residential and Agricultural-20 (RA-20) of an approximate 9.72 acres parcel, located on Gretchen Road and adjacent to NC Hwy 73, West End, owned by Johnson Improvement Co., per Deed Book 324 Page 466.

This case was properly advertised, public hearing sign posted on the property, and all adjacent property owners were notified.

BACKGROUND
The property is currently undeveloped. Adjacent properties include single family dwellings and undeveloped property.

ZONING DISTRICT COMPATIBILITY
The requested rezoning to Residential and Agricultural-20 (RA-20) is consistent with the existing uses in the area, including single family residential. The surrounding area is zoned a mixture of Highway Commercial (B-2), Residential and Agricultural-20 (RA-20), Residential and Agricultural-40 (RA-40), and Residential and Agricultural-2 (RA-2).

CONSISTENCY WITH THE 2013 MOORE COUNTY LAND USE PLAN
The future land use map identifies the property partially Rural Agricultural Land Use Classification (RALUC) and partially Medium Density Residential Land Use Classification. The requested zoning to Residential and Agricultural-20 (RA-20) is compatible with the Medium Density Residential Land Use Classification though is not compatible with the Rural Agricultural Land Use Classification (RALUC).

The Land Use Plan states the primary use of the Rural Agricultural Land Use Classification (RALUC) is to support rural residential life associated with agricultural uses and other rural activities. Additionally, the Land Use Plan states the Medium Density Residential Land Use Classification is categorized for a Density of 2 to 4 dwellings per acre, single family detached or attached. Housing may include a mixture of dwelling types, including single-family detached, duplex, patio home, semi-detached/attached dwelling, multi-family, or townhouse. This may also include certain non-residential neighborhood supportive uses such as schools, daycares, churches.
and others. Density would require engineered sewerage disposal systems. Public infrastructure and facilities such as roads, water, sewer, schools, fire/rescue, open space, and must be adequate to accommodate the development. The public service providers in the proximity of these areas shown on the Future Land Use Map shall consider extending, upgrading and/or preserving infrastructure in these locations.

The site is located adjacent to the Moore County Medium Density Residential Land Use Classification, as indicated by the yellow color on the map below. It is also located adjacent to the Seven Lakes community. Therefore, staff recommends updating the Land Use Map to reclassify this site to the Medium Density Residential Land Use Classification.

The rezoning request is also consistent with several goals as included in the attached Land Use Plan Consistency Statement, including Goal 3.1: Maximize accessibility among living, working, and shopping areas and Action 1.8.8: Support and promote infill development that will optimize the use of existing infrastructure.
RECOMMENDATION
Staff recommends the Moore County Planning Board make two separate motions:

Motion #1: Make a motion to **adopt or deny** the attached Land Use Plan Consistency Statement authorize the Chairman to execute the document as required by North Carolina General Statute 153A-341.

Motion #2: Make a motion to recommend **approval or denial** to the Moore County Board of Commissioners of the General Use Rezoning from Highway Commercial (B-2) to Residential and Agricultural-20 (RA-20) to of an approximate 9.72 acres parcel, located on Gretchen Road and adjacent to NC Hwy 73, West End, owned by the Johnson Improvement Company.

Land Use Plan Consistency Statement
General Use Rezoning Request
Highway Commercial (B-2) to Rural Agricultural-20 (RA-20)

The Moore County Planning Board finds that:

1. The rezoning request is consistent with the following goals as listed in the 2013 Moore County Land Use Plan:

   Goal 1: Preserve and Protect the Ambiance and Heritage of the County of Moore (inclusive of areas around the municipalities)
   - Action 1.8.8: Support and promote infill development that will optimize the use of existing infrastructure.

   Goal 3: Optimize the Uses of Land Within the County of Moore
   - Goal 3.1: Maximize accessibility among living, working, and shopping areas.
   - Recommendation 3.4: Encourage development in areas where the necessary infrastructure (roads, water, sewer, and schools) are available, planned or most cost-efficiently be provided and extended to serve development.

2. Approval of the rezoning request is also deemed an amendment to the Land Use Plan Future Land Use Map by reclassifying the site to the Medium Density Residential Land Use Classification.

3. Contributing factors in the rezoning approval is in response to managing the demand of residential growth, largely resulting from the influx of families spurred by Fort Bragg’s growth from the Base Realignment and Closure. This site is determined to be suitable for development due to its close proximity Seven Lakes.

4. The rezoning request is reasonable and in the public interest considering the property is located adjacent to an existing major highway, other developed residential properties, has access to public water, and is in close proximity to the Seven Lakes community providing practicality, easy access, and reduced travel times.
Therefore, the Moore County Planning Board recommends **APPROVAL** of the General Use Rezoning request from Highway Commercial (B-2) to Residential and Agricultural-20 (RA-20), of an approximate 9.72 acre parcel, located on Gretchen Road and owned by Johnson Improvement Co., per Deed Book 324 Page 466.

2. The proposed rezoning is not reasonable and not in the public interest because the proposed rezoning will have an unreasonable impact on the surrounding community.

Therefore, the Moore County Planning Board recommends DENIAL of the General Use Rezoning request from Highway Commercial (B-2) to Residential and Agricultural-20 (RA-20), of an approximate 9.72 acre parcel, located on Gretchen Road and owned by Johnson Improvement Co., per Deed Book 324 Page 466.
