MEMORANDUM TO THE PLANNING BOARD

FROM: Debra Ensminger
Planning & Transportation Director

DATE: October 28, 2019

SUBJECT: General Use Rezoning Request:
Highway Commercial (B-2) to Residential and Agricultural-20 (RA-20)

PRESENTER: Theresa Thompson

REQUEST
Pete Mace is requesting a General Use Rezoning from Highway Commercial (B-2) to Residential and Agricultural-20 (RA-20) of approximately 15.86 acres (entire portion currently zoned B-2) of an approximate 363.39 acre parcel, located on the corner of Carthage Road and Gretchen Road, West End, owned by TKCSJM Harris LLC, per Deed Book 5090 Page 463.

Public notification consisted of publishing a legal notice in the local newspaper for two consecutive weeks, notification by mail to adjacent property owners, and placing public hearing signs on the property.

BACKGROUND
The property is currently undeveloped. Adjacent properties include single family dwellings and undeveloped property.

ZONING DISTRICT COMPATIBILITY
The requested rezoning to Residential and Agricultural-20 (RA-20) is consistent with the existing uses located near the property, including single family residential. The surrounding area is zoned a mixture of Residential and Agricultural-20 (RA-20), and Residential and Agricultural-5 (RA-5), Highway Commercial (B-2), Rural Agricultural (RA), and Rural Agricultural-Urban Service Boundary (RA-USB).

CONSISTENCY WITH THE 2013 MOORE COUNTY LAND USE PLAN
The future land use map identifies the property as Rural Agricultural Land Use Classification. The requested zoning to Residential and Agricultural-20 (RA-20) is not compatible with the Rural Agricultural Residential Land Use Classification.

The Land Use Plan states the primary use of land in the Rural Agricultural Land Use Classification is to support rural residential life associated with agricultural uses (e.g. row crops, forestry, horticulture, grazing, poultry, dairy, swine operations, and intensive agricultural uses in certain areas) and other rural activities. Major subdivisions of land are strongly discouraged; however, family subdivisions and subdivisions of four or less lots would be considered.
The Unified Development Ordinance states the principal use of land in the Residential and Agricultural (RA-20) and (RA-40) Districts is for single family dwellings, duplexes and agricultural use and discouraging any use which would generate traffic on minor streets other than normal traffic to serve residences on those streets.

The site is located adjacent to the Moore County Medium Density Residential Land Use Classification, as indicated by the yellow color on the map below. It is also located adjacent to the Seven Lakes community. Therefore, if the rezoning request is approved, staff recommends updating the Land Use Map to reclassify this site to the Medium Density Residential Land Use Classification.

The rezoning request is also consistent with several goals as included in the attached Land Use Plan Consistency Statement, including Goal 3.1: Maximize accessibility among living, working, and shopping areas and Action 1.8.8: Support and promote infill development that will optimize the use of existing infrastructure.

**MOORE COUNTY FUTURE LAND USE MAP**

**RECOMMENDATION**
Staff recommends the Moore County Planning Board make two separate motions:

**Motion #1:** Make a motion to **adopt or deny** the attached Land Use Plan Consistency Statement to authorize the Chairman to execute the document as required by North Carolina General Statute 153A-341. As specified in the Land Use Plan Consistency Statement, a declaration of approval is also deemed an amendment to the Land Use Plan.
Motion #2: Make a motion to recommend approval or denial to the Moore County Board of Commissioners of the General Use Rezoning from Highway Commercial (B-2) to Residential and Agricultural-20 (RA-20) of approximately 15.86 acres (entire portion currently zoned B-2) of an approximate 363.39 acre parcel, located on the corner of Carthage Road and Gretchen Road, West End.

Map Prepared by Moore County GIS on 10/23/2019
The Moore County Planning Board finds that:

1. The rezoning request is consistent with the following goals as listed in the 2013 Moore County Land Use Plan:

   **Goal 1: Preserve and Protect the Ambiance and Heritage of the County of Moore (inclusive of areas around the municipalities)**
   - **Action 1.8.8:** Support and promote infill development that will optimize the use of existing infrastructure.

   **Goal 3: Optimize the Uses of Land Within the County of Moore**
   - **Goal 3.1:** Maximize accessibility among living, working, and shopping areas.
   - **Recommendation 3.4:** Encourage development in areas where the necessary infrastructure (roads, water, sewer, and schools) are available, planned or most cost-efficiently be provided and extended to serve development.

2. Approval of the rezoning request is also deemed an amendment to the Land Use Plan Future Land Use Map by reclassifying the site to the Medium Density Residential Land Use Classification.

3. The rezoning request is reasonable and in the public interest considering the property is located adjacent to an existing highway, other developed residential properties, has access to public water, and is in close proximity to the Seven Lakes community providing practicality, easy access, and reduced travel times.

4. Contributing factors in the rezoning approval is in response to managing the demand of residential growth, largely resulting from the influx of families spurred by Fort Bragg’s growth from the Base Realignment and Closure. This site is determined to be suitable for development due to its close proximity Seven Lakes.

   Therefore, the Moore County Planning Board recommends **APPROVAL** of the General Use Rezoning from Highway Commercial (B-2) to Residential and
Agricultural-20 (RA-20) of approximately 15.86 acres (entire portion currently zoned B-2) of an approximate 363.39 acre parcel, located on the corner of Carthage Road and Gretchen Road, West End, owned by TKCSJM Harris LLC, per Deed Book 5090 Page 463.

General Use Rezoning Request  
Highway Commercial (B-2) to Rural Agricultural-20 (RA-20)

The Moore County Planning Board finds that:

1. The rezoning request is consistent with the following goals as listed in the 2013 Moore County Land Use Plan:

   Goal 1: Preserve and Protect the Ambiance and Heritage of the County of Moore (inclusive of areas around the municipalities)
   - Action 1.8.8: Support and promote infill development that will optimize the use of existing infrastructure.

   Goal 3: Optimize the Uses of Land Within the County of Moore

   - Recommendation 3.4: Encourage development in areas where the necessary infrastructure (roads, water, sewer, and schools) are available, planned or most cost-efficiently be provided and extended to serve development.

2. The proposed rezoning is not reasonable and not in the public interest because the proposed rezoning will have an unreasonable impact on the surrounding community.

Therefore, the Moore County Planning Board recommends DENIAL of the General Use Rezoning from Highway Commercial (B-2) to Residential and Agricultural-20 (RA-20) of approximately 15.86 acres (entire portion currently zoned B-2) of an approximate 363.39 acre parcel, located on the corner of Carthage Road and Gretchen Road, West End, owned by TKCSJM Harris LLC, per Deed Book 5090 Page 463.
