System Pressure Advisory Rescinded

February 19, 2016 3:30PM

Based on the laboratory analysis of water samples collected from East Moore Water District on February 18th and February 19th, 2016, water users are hereby notified that it is no longer necessary to boil water used for human consumption. The system has resumed normal operations.

We appreciate your cooperation during this period. If you have any questions, please feel free to contact us.
