NOTE: Applying for utility services is applying for credit. Like other creditors, utility companies may ask for information like your Social Security number to check credit history – particularly your payment history.

Provide initials below indicating you understand and agree to each item:

_____ It is the applicant's responsibility to determine the required flow rate and choose the appropriate size meter and service connection.

_____ I have included my \$200 deposit. (\$100 with proof of property ownership)

_____ Government issued ID is required for all individuals listed on the account.

_____ I understand that it is my responsibility to read and obey the Water Ordinance and State regulations that govern my service.

_____ Applicant is responsible to obtain all appropriate permits and inspections. For assistance with this please contact the Moore County Central Permitting Office at 910-947-2221 or Pinchurst Inspections Department at 910-295-2581.

_____ There will be a \$26.50 service charge on my first month's bill.

WATER AND SEWER SERVICE LOCATIONS: No installation will take place prior to lot clearing. MCDPW will determine the best location for the water and sewer taps prior to house construction. A blue flag will be placed by the customer at the preferred tap location. If we are unable to accommodate that location, MCDPW will meet the applicant to determine best location. Water meters are installed at lot corners whenever practical. Sewer service connection locations vary due to topography, existing sewer main location and other requirements. Water meter boxes and sewer cleanouts are to be kept so that they are easily accessible for maintenance. There should never be landscaping concealing the location of the water meter box or sewer cleanout. Sewer cleanout must remain above grade. Payment for any damage done to the sewer cleanout, water meter, meter box or lid, etc. other than natural causes, will be the responsibility of the account holder(s). *Irrigation service requires the installation of an RPZ for backflow prevention. Signature of Account Holder indicates Account Holder's agreement to have the RPZ installed at the property owner's expense.
