Dear County Directors of Social Services

Attention: Directors of Social Services, Energy Administrators, Managers & Supervisors

Subject: Low Income Home Energy Assistance Program (LIHEAP) Weatherization Waiver

Priority: Time Sensitive, Action & Response Required

The LIHEAP Weatherization waiver is completed each fiscal year, for weatherization to expend up to 25 percent of its allocation through the federal waiver request process. The Administration of Children and Families (ACF) requires that states seek public comments for the LIHEAP Weatherization waiver each year. In order, for the Division to comply the following tasks must be completed:

- The announcement and waiver must be displayed the week of June 1, 2020-June 5, 2020 in each local department of social services, the Community Action Agencies and partner agencies. The public should be made aware and encouraged to come to review and comment. If your agency is closed to the public, the waiver must be posted to your agency's website.
- Each person who reviews the plan must be encouraged to sign the attendance sheet and make comments. For closed agencies please make attendance and comment sheets available online. Please have viewers email their attendance and/or comment sheets to Jasmyne.Simmons@dhhs.nc.gov by June 9, 2020.
- A public hearing will be held on June 5, 2020 from 12-1 p.m. online via a GoTo webinar. There is no cost to participate. Individuals may register in advance and set a calendar reminder by going to: <https://register.gotowebinar.com/register/6891573263862601487>. Individuals needing additional assistance with registering for the GoTo webinar may reach out to ncfasttraining@dhhs.nc.gov.

Attached are the supporting documents needed to complete the above tasks.
